

While Australian Disability Enterprises are commercial businesses, they also receive funding from the Australian Government Department of Social Services to recognise their extra operating costs such as employing support workers to assist their employees with a disability.

Outsource To Us

Many business owners have experienced just how effective outsourcing repetitive and time consuming tasks can be - it allows them and their staff more time to focus on dedicating their expertise to growing their business.

Our team works closely with business partners to understand their needs and identify where we can add value to their operations. Services include, but are not limited to:

- Packaging services
- Mail services
- Light manufacturing
- Site clean-ups
- Labour hire
- Landcare

Thank you.

*Your purchase helps employ
a person with disability.*
